KISAE – *DC DC* Charger Remote Panel DMTRM1201

Rev3.1

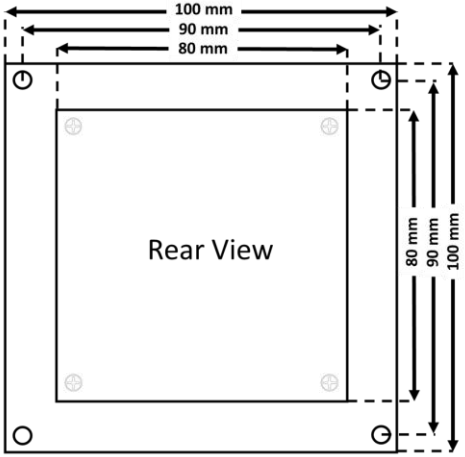

Installation and Operation Guide for DMT1230, DMT1250, DMT2430

A qualified technician is required to install the DMTRM1201 Remote Panel to the DC to DC Charger. Take caution when working with battery. Always disconnect all the three channels (CH1, CH2, CH3) connected to the DC to DC Charger before making any installation.

Caution: This Remote Panel can only be used with KISAE ***DMT1230, DMT1250, DMT2430*** DC to DC Charger Series.

Mounting the Remote Panel:

- Choose an appropriate mounting location.
- Use the wall cutout template and the Remote Panel mounting template to mark the positions of the mounting holes.

- Install the RJ12 Cable in your desired location.
- Connect one end of the RJ12 cable to **'COM_1'** Port of Remote Panel.
- Secure the Remote Panel.
- Connect the other end of RJ12 cable to the '**Remote**' port of the charger.
- The Remote Panel is now ready to use.

Understanding the Remote Panel function:

- The DMTRM1201 Remote shares the same controls and displays functions as the display on the DC to DC Charger.
- Please read 'Understanding the Display & Function Keys during normal operation' on the DC to DC Charger manual for details.

Note: The RJ12 cable that comes with this remote panel may include a black ferrite bead located at one end of the cable near the RJ12 plug. When installing the cable, it is recommended to have the black ferrite bead side towards the main unit.

WARRANTY

One Year Limited Warranty

The limited warranty program is the only one that applies to this unit, and it sets forth all the responsibilities of KISAE. There is no other warranty, other than those described herein. Any implied warranty of merchantability of fitness for a particular purpose on this unit is limited in duration to the duration of this warranty.

This unit is warranted, to the original purchaser only, to be free of defects in materials and workmanship for one year from the date of purchase without additional charge. The warranty does not extend to subsequent purchasers or users.

The manufacturer will not be responsible for any amount of damage in excess of the retail purchase price of the unit under any circumstances. Incidental and consequential damages are specifically excluded from coverage under this warranty.

This unit is not intended for commercial use. This warranty does not apply to damage to units from misuse or incorrect installation/connection. Misuse includes improper (non-original) RJ12 cable pinout.

Return/Repair Policy:

If you are experiencing any problems with your unit, please contact our customer service department at info@kisaetechnology.com or Phone 1-877-897-5778 before returning the product to the retail store. After speaking to a customer service representative, if products are deemed non-working or malfunctioning, the product may be returned to the purchasing store within 30 days of original purchase. Any defective unit that is returned to the manufacturer within 30 days of the date of purchase will be replaced free of charge. If such a unit is returned more than 30 days but less than one year from the purchase date, the manufacturer will repair the unit or, at its option, replace it, free of charge. If the unit is repaired, new or reconditioned replacement parts may be used, at manufacturer's option. A unit may be replaced with a new or reconditioned unit of the same or comparable design. The repaired or replaced unit will then be warranted under these terms for the remainder of the warranty period. The customer is responsible for the shipping charges on all returned items.

Limitations:

This warranty does not cover accessories, such as adapters and batteries, damage or defects result from normal wear and tear (including chips, scratches, abrasions, discoloration or fading due to usage or exposure to sunlight), accidents, damage during shipping to our service facility, alterations, unauthorized use or repair, neglect, misuse, abuse, failure to follow instructions for care and maintenance, fire, and flood. If your problem is not covered by his warranty, call our Customer Service Department at info@kisaetechnology.com or 1-877-897-5778 for general information if applicable.
